RELAX. RECHARGE. RENEW.
IN-SUITE WELLNESS

Experience fundamental components of wellness interwoven into your stay to provide soothing comfort as you find at The Royal Spa.

RAIN SHOWERS
Your luxury guest room is fitted with an overhead rain shower that is designed to be tranquil and calming. Give yourself the health benefits of a shower experience designed to resemble the gentle fall of the rain – each morning and night in the privacy of your suite.

SOAKER TUBS
Being immersed, buoyant or massaged in water can relieve our bodies in a variety of different ways. Many rooms feature a two-person whirlpool tub fitted with a number of jets designed to target areas of the body prone to muscle ache.

DREAMBED™
A restful sleep plays a critical role in immunity, metabolism, memory, and other vital functions. Your suite offers a signature Royalton DreamBed™ with features that include hypoallergenic sealant, double tempered coils, motion transfer prevention and a 3” Euro-top for extra comfort.

PILLOW MENU
Diamond Club™ and The Royal Spa have placed a menu in your suite that offers a selection of pillows to contribute to a peaceful night’s sleep. You’re welcome to choose a pillow that better suits your sleep style, 24 hours a day.
The Royal Spa provides guests with a place to enhance and invest in personal wellness with the aid of traditional spa treatments and practices. As an essential part of the Royalton Luxury Resort vacation experience, elements of wellness are interwoven into a stay to help you relax, renew, and encourage sustainable habits for a healthy lifestyle after visiting with us.

The lotus flower, a symbol of The Royal Spa, supports our philosophy of wellness and exemplifies renewal. This cross-cultural icon is known for positivity and purity of the body.

During your stay at The Royal Spa, enjoy time-honoured relaxation practices, listen to the calming power of falling water in the hydrotherapy circuit, feel the weightless relief of a massage or reveal glowing skin with a body treatment.

Health is a state of body. Wellness is a state of being.

This therapeutic massage acts on the skeletal system and muscle tissue to improve joint mobility, release muscle tension, calm the nervous system and boost circulation.

BODY-CLEANSING MASSAGE | 50 & 80 MINS
Using the aromatherapeutic technique, this treatment uses a light pressure massage to stimulate blood flow and aid lymphatic drainage. This treatment aims to eliminate toxins from the body and alleviate fluid retention reducing cellulite and swelling.

COUPLES MASSAGE | 50 & 80 MINS
Designed exclusively for couples this restorative massage uses carefully applied pressure to alleviate muscle pain and discomfort bringing a moment of quiet reflection with a loved one.

THERMAL ENERGY MASSAGE | 50 & 80 MINS
Radiant heat from warm stones relieves tension, eases muscles stiffness and increases circulation. This massage therapy promotes deeper muscle relaxation, as the heat allows your therapist to reach deeper layers of muscle and connective tissues.

AROMATIC MASSAGE | 50 & 80 MINS
Recommended after the complete hydrotherapy circuit is enjoyed, so the body experiences full benefits, this signature treatment uses fragrant oils during a careful and attentive massage to promote a sense of whole-body tranquility.

REVITALIZING MASSAGE | 25 & 50 MINS
This treatment involves reflexology, the application of pressure to reflex points on the feet, hands, or ears which correspond to organs and systems in a pattern that will promote healthy healing and bring whole-body wellness.

BEACH MASSAGE | 25 & 50 MINS
This beach front treatment offers a gentle full body massage as you listen to the crashing waves for an authentic soundtrack to relaxation. A concept called 'nature grounding,' this massage brings moments of reflection, plenty of fresh air and naturally derived vitamin D.

BODY TREATMENTS

HEALTHY RADIANCE | 25 MINS
A creamy scrub is applied to the skin so moisture is absorbed more easily leaving skin with a glow.

CALMING WRAP | 50 MINS
Repair over exposed skin on the whole body and relieve redness with this treatment designed to provide care in this delicate state.

SMOOTHING RITUAL | 50 MINS
This targeted treatment stimulates blood flow and lymphatic drainage so the body is more efficient at eliminating harmful toxins. Ideal for trouble areas or areas with cellulite.

RESTORATIVE GLOW | 50 MINS
This is a focused treatment specifically for tension in your back, neck, and shoulders. The journey starts with exfoliation followed by a relaxing mask and finished with a deep tissue massage.

HYDROTHERAPY
The word spa is derived from Latin phrases such as Salus per Aqua and Sanitas per Aquam, which means health through water. Therefore, the use of water in spa treatments is a broad element expressed at The Royal Spa through heat, steam and buoyancy in the hydrotherapy circuit.

“Peace comes from within. Do not seek it without.”
